

# Web Engineering Exercise 5

s1240234 Yuta Nemoto

Screenshot of the action of **creating post**:

The screenshot shows a web browser window with the address bar displaying `localhost:3000/articles/new`. The browser has several tabs open: "Blog", "Web Engineering", "All the files that you", and "Getting Started". The page title is "New article". Below the title, there is a form with two input fields. The first field, labeled "Title", contains the text "WE Homework Ex5". The second field, labeled "Text", contains the text "I'm Yuta Nemoto s1240234". Below the text field, there is a button labeled "Create Article". At the bottom left of the form, there is a link labeled "Back".
