

# Web Engineering Exercise 11 – Problem 1

s1240234 Yuta Nemoto

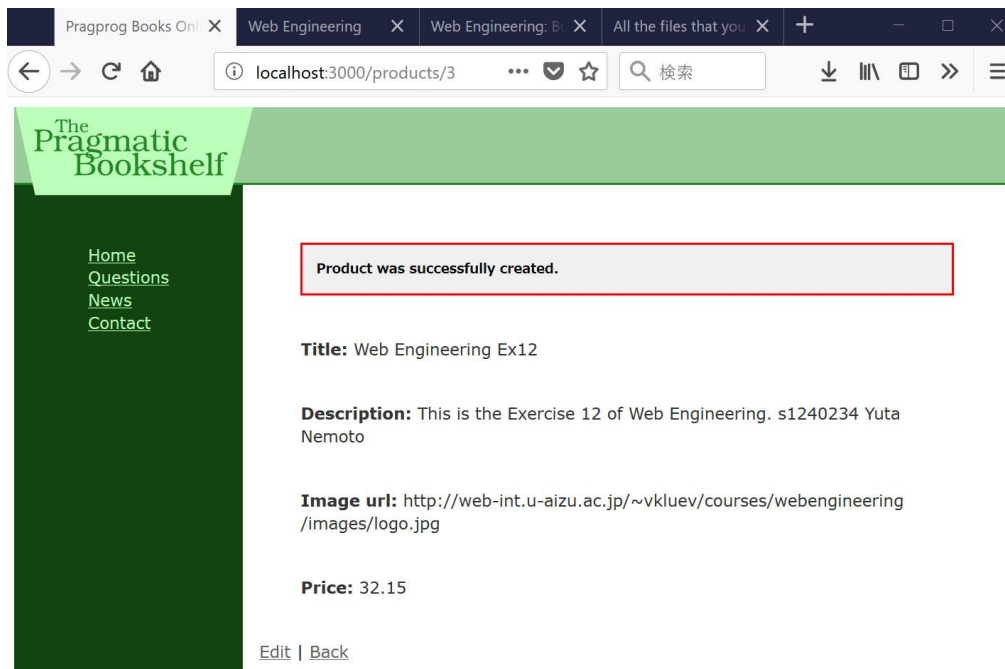

Screenshot: Creating new Product

The screenshot shows a web browser window with the URL `localhost:3000/products/new`. The page is titled "New Product" and features a sidebar with links: Home, Questions, News, and Contact. The main form contains the following fields:

- Title:**
- Description:**
- Image url:**
- Price:**

Below the form is a "Create Product" button and a "Back" link.

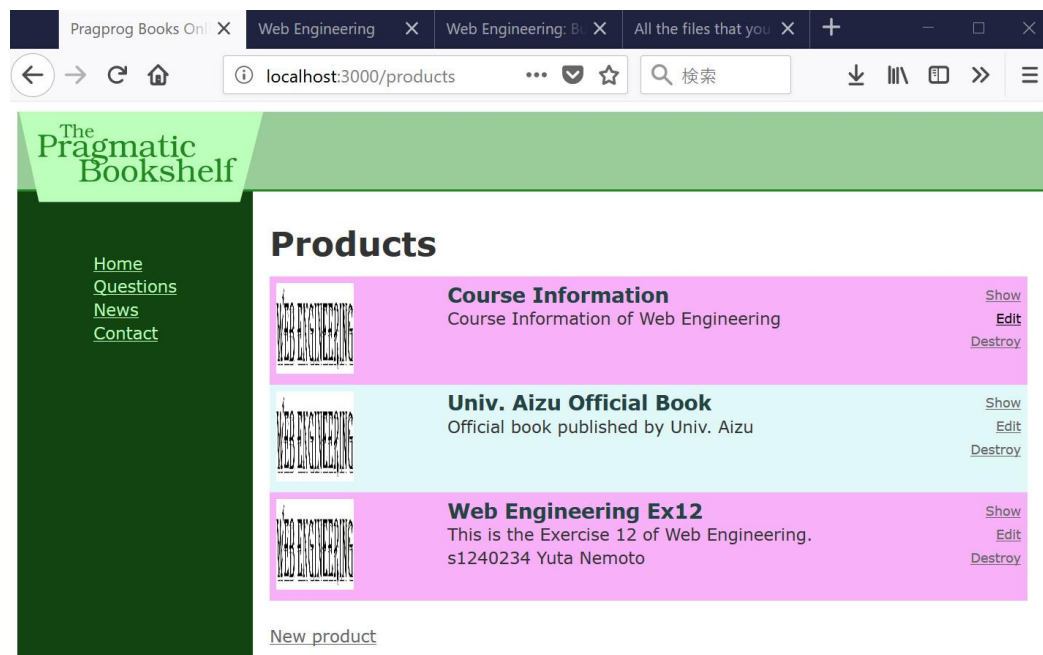

The screenshot shows the same website after the product has been created. The URL is `localhost:3000/products/3`. A red-bordered box at the top contains the message: "Product was successfully created." Below this, the product details are displayed:

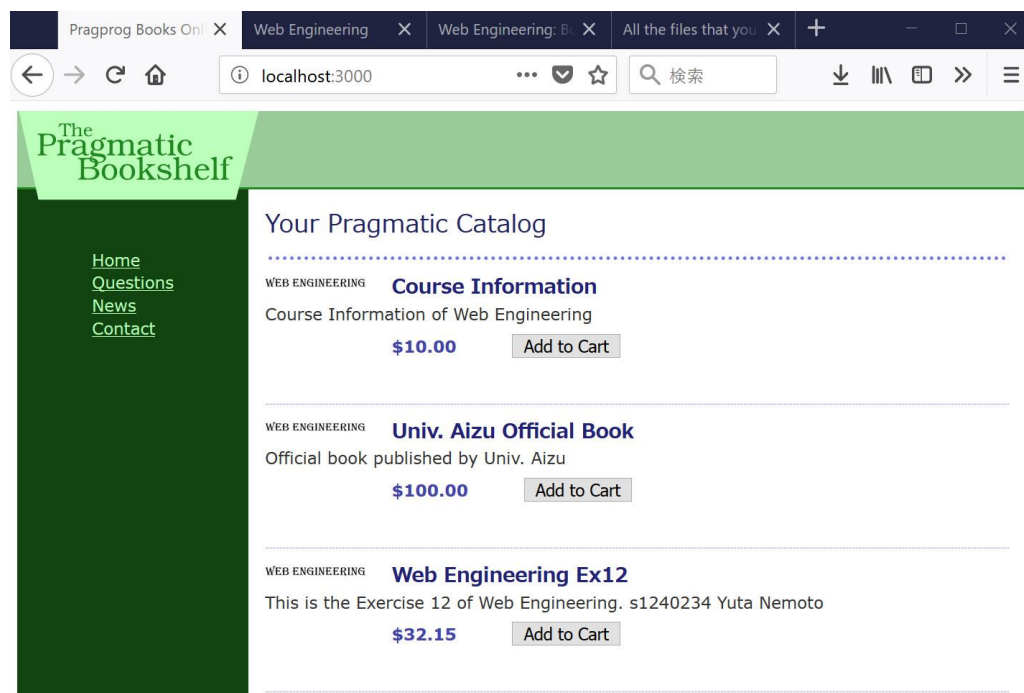

- Title:** Web Engineering Ex12
- Description:** This is the Exercise 12 of Web Engineering. s1240234 Yuta Nemoto
- Image url:** <http://web-int.u-aizu.ac.jp/~vkluev/courses/webengineering/images/logo.jpg>
- Price:** 32.15

At the bottom, there are links for "Edit" and "Back".

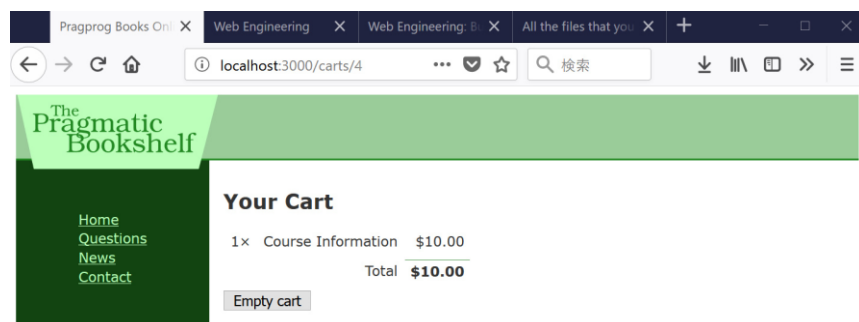

## Screenshot: List of Products

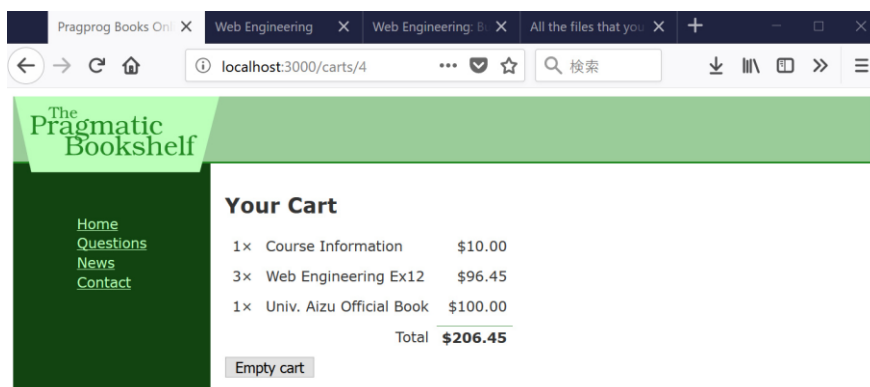

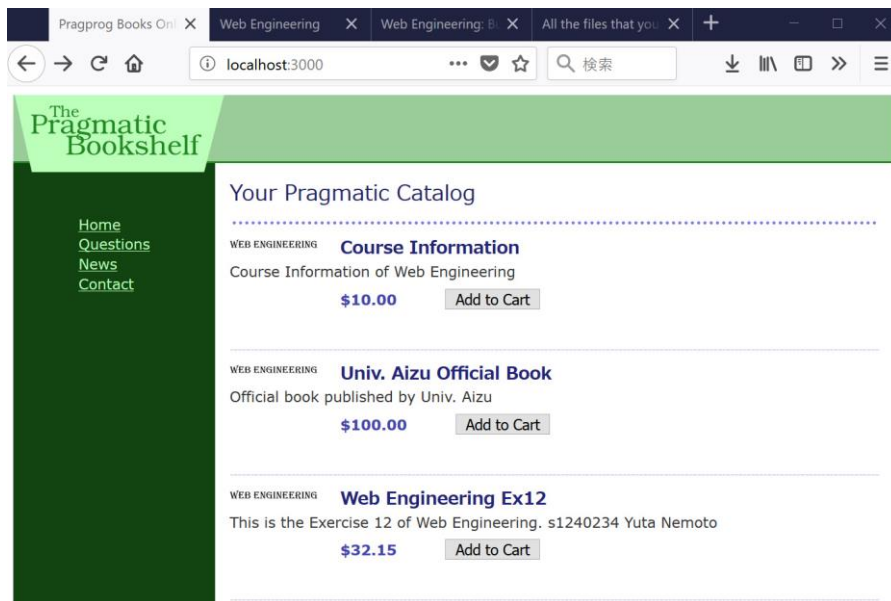

## Screenshot: Catalog page – “Add to Cart” button is exactly approved.

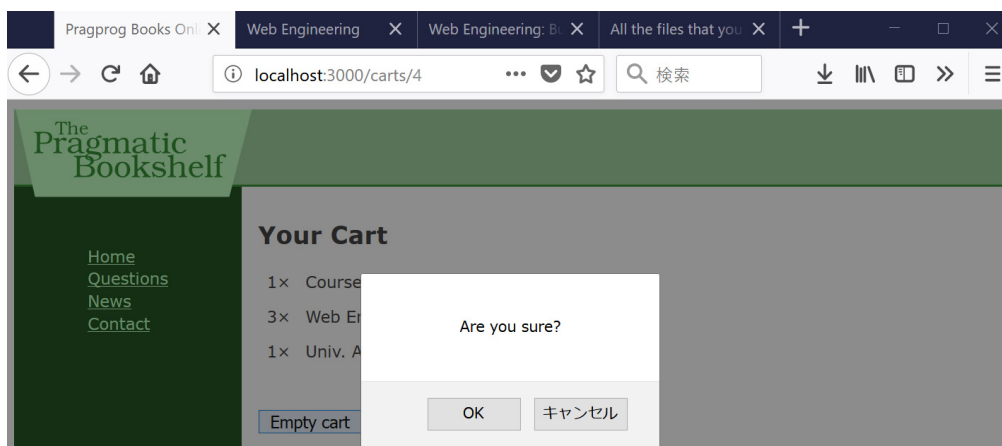

I clicked on the “Add to Cart” button of the book “Course Information”, so the particular book is added to the cart.

Go back the page and I clicked three times the button of the book “Web Engineering Ex12”, and clicked the button of “Univ. Aizu Official Book”, so multiple books are added to the cart.

If I click the button “Empty cart”, it shows confirmation dialogue and empty the cart.
